GEORGE ALLEN & UNWIN LTD.

Population and Planned Parenthood in India

By S. CHANDRASEKHAR

An analysis of the problems set by the increasing birth rate in India, and of the difficulties in the way of widespread adoption of birth control. *Foreword by Julian Huxley, F.R.S.* 12*s.* 6*d.*

World Population and Resources

In this report, produced by P.E.P. (Political and Economic Planning), a very distinguished group of natural and social scientists has attempted a systematic survey of the natural and economic resources of the world in relation to the expected growth of population over the next few decades. 30*s.*

China Under Communism

By RICHARD L. WALKER

A documented study of the workings of the Government that has ruled China for the past five years. It shows how the traditional Chinese civilisation is giving way to the Soviet system.

Illustrated. 30*s.*

Social Foundations of Wage Policy

By BARBARA WOOTTON

In this authoritative study of contemporary British wage policy an attempt is made to uncover some of the social influences which affect the determination of wage and salary rates. " Not only for the facts that she has unearthed and presented but for the freshness of her approach to this tiresome problem, this must be considered a work of first importance."—*Spectator.* 15*s.*
